

# Lots of people

Text: August van Bebber, Übersetzung: Hans-Joachim Fuhrig Musik: Detlev Jöcker

Nach dem Lied: Kleine Leute, große Leute

1. Smaller people, taller people,  
older people, younger people,  
they are everywhere.

Busy people, lazy people,  
noisy people, silent people,  
you find them here and there.

## Refrain:

When you're walking in the streets you see them all:

Lots of people, who are very busy.

When you try to cross the street, you find it's full:

Lots of people (Lots of people)

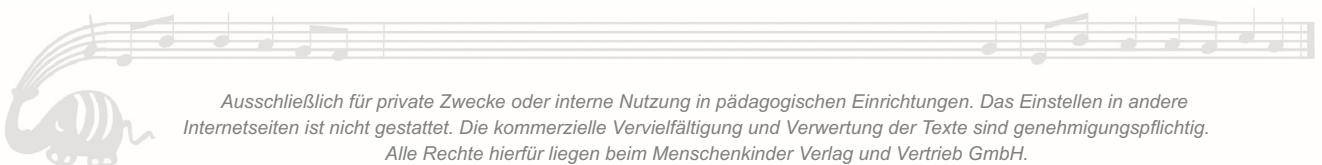

Lots of people (Lots of people)

Lots of people

who can make you dizzy.

2. Little children, older children,  
noisy children, silent children,  
they are everywhere.

Peaceful children, angry children,  
active children, passive children,  
you find them here and there.

**Refrain:**

(When) you go home from school,  
your mind is full of them.  
Lots of children, who are moving 'round you.  
When you close your eyes  
you feel they're always there.  
Lots of children. (Lots of children)  
Lots of children (Lots of children)  
Lots of children,  
who are playing 'round you.

3. Little boys and little girls  
and teen-aged boys and teen-aged girls  
they are everywhere.  
Grown-up men and grown-up women,  
Very old men and very old women,  
You find them here and there.

**Refrain:**

All of us we like to share our lives with someone  
Who we like and who we care about.  
That is why all over there are young and old  
Sharing love (Sharing love)  
Sharing love (Sharing love)  
Sharing love with some where there's no doubt.
